

# GREEK NEWSPAPER

## PROJECT CHECKLIST

You are a journalist, or reporter, during the time of ancient Greece! Your task is to write and illustrate a newspaper that can be distributed to the citizens of the polis outlining current events and activities throughout the city-state. Choose from the following topics for your articles or come up with your own!

Sports

Art & Leisure

Government

Entertainment

Architecture

Literature

Money and Work

Religion

Philosophy

Food

War

Education

Use the following checklist to make sure you include all of the required elements for this project.

- ☐ Use a variety of sources (at least 3) to collect information on life in ancient Greece. You will need to cite these resources on your final draft. *Collect your information in your notebook!*
- ☐ Make sure you have at least **SIX** topics (see above) included whether as written articles or advertisements.
- ☐ Create a rough draft of your newspaper using the backside of this page. Pencil only is fine.
- ☐ Have a friend or teacher review your rough draft and check for spelling, grammar, or formatting issues. Ask someone you trust to give you advice.
- ☐ Create a final draft of your newspaper using your best handwriting. Make sure it is neatly colored.
